**Artist Words:**

I enjoy composing long form ambient music and broadcasting on the internet. I currently have a program on the stillstream network called The Blind Flight and you can read about it at <http://theblindflight.wordpress.com/>  
I've had work released on the weareallghosts label at <http://weareallghosts.bandcamp.com/>, the dystimbria internet label at [dystimbria.cc](http://dystimbria.cc) as well as my personal site <http://scottlawlor.bandcamp.com/> and have plans to release more material throughout the year if I can.
